

CALIPER SUPER KIT (D4*S)

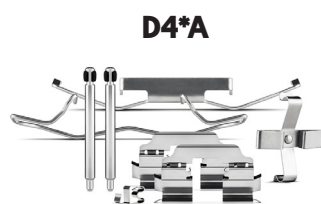

We launch the integral solution to repair a brake caliper.

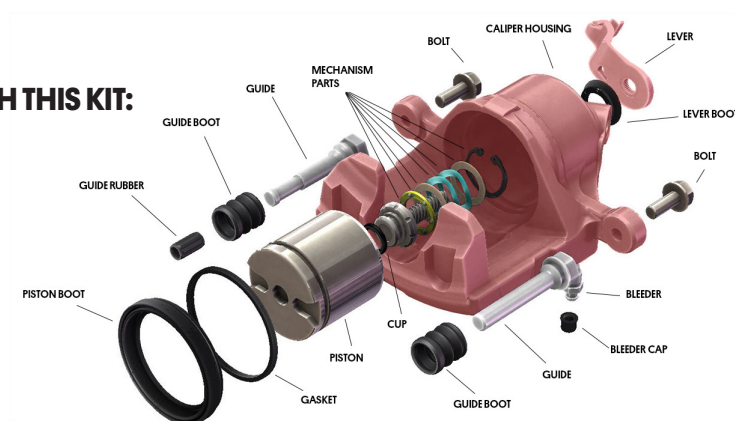

Super Kit composition: gaskets, dust covers, guide boots, clamps, pistons with/without mechanism, bleeders, grease, guides and screws.

AUTOFREN SEINSA manufactures under the same specifications as OE. And therefore we have the ISO 9001:2015 and IATF 16949:2016 certifications.
